## Environmentally-Friendly Food Containers

TLC Adventure Preschool is partnering with the Ann Arbor community to be environmentally responsible by encouraging our staff and the families we serve to reuse and recycle whenever possible.

When packing your child's lunch, please consider reusable plastic containers that can be sent home. If you choose to send individual servings of items like applesauce or yogurt that are packaged in recyclable tubs, we will rinse them out and recycle them here at Trinity.

We appreciate your help in being good stewards of the Earth's resources!

Your TLC Adventure Preschool Staff
